Mail Bid Sale 9A - 30 November 1995

Price $5. Prices Realized $5

Dear Fellow Collector,

Welcome to our mail bid sale of fine quality exonumia. This mini-sale features Part One of the Dr. Gregory Brunk collection of countermarked coins. Dr. Brunk is well known as the author of three works on countermarks, two published by World Exonumia Press. The Brunk collection of about 1000 merchant countermarks has been consigned to World Exonumia, for unreserved sale. This mini-sale has over 100 pieces, just a sample of material to come. In the next two sales will be many rare and seldom-seen countermarks, including many of the plate specimens from the two books. Two highlights are a countermarked GOLD coin and the RARE Confederate States SIEGE coin, among hundreds of others. Plan now for these two important sales.

In addition to almost 900 more countermarks in the next two sales, Dr. Brunk has consigned the balance of his collection, over 8000 exonumia items. From transit tokens, to Masonic Badges, to rare World Medals, G.A.R. badges, fraternal badges and ribbons, and much more! Common to rare, the next two sales will literally have something for everyone. The next two sales will be sent by FREE subscription only. Subscribe today for $25 for both sales, including both prices realized, and get $25 off any purchase! (Fine print: Get two credits each $12.50 off any purchase over $50). Your net price: FREE! We want YOU as a subscriber, because we think our next two sales will offer our finest selection of fine quality exonumia. More information on the next two sales will be sent early in 1996. TERMS of SALE - PLEASE READ CAREFULLY

1. **Your satisfaction is our goal.** While mail bid sales are not approval sales, we will work with you to correct any mistakes on your or our part. Please write or call immediately should any difficulty, problem or disagreement arise. We will cheerfully refund your purchase price, full return postage and send a $10 credit on any future purchase for any misattributed lot. We try very hard to have all pieces correctly attributed, and apologize for any errors. **We DO appreciate your business!**
2. By submitting bids you agree to the following terms of sale. **There is NO buyer's charge!**
3. This is a mail bid sale of tokens, medals, badges and other collectibles. Your bids are accepted per lot, with the winning bidder receiving the item at a small increment over the second high bid.
4. All items are **UNCONDITIONALLY GUARANTEED** Authentic and original. There is no time limit on this guarantee. In addition, we will pay for any reasonable national authentication service charge in the event any item is shown not to be original, or as described (plus your postage).
5. The bidding deadline is: **7pm on 30 November 1995.**
   Call in your bids at (815)226-0771, or FAX at 397-7662. Bids will be accepted past the closing time until 20 minutes passes without any calls. Please call EARLY! Bids must be RECEIVED by the closing date. Telephone callers may ask for Opening Bids, the minimum increment over the second bid. High bids are NOT revealed. To avoid numerous closing night call-backs, which we feel are unfair to underbidders, only the opening bids as of 3pm that day will be available (subsequent bids will not be revealed). You may bid ANY amount, but once you have gotten the opening bid, no bids below that amount are accepted.
6. Grading is an art, not a science. We have attempted to conservatively grade each item. The amount of grade description is proportional to the value. Please do not expect every minor flaw to be described on a VF $10 token. Tokens and medals are not coins, graded on a Mint-state scale! A "Choice Unc" token may and probably will have tiny spots, micro-scratches, rub or wear on high points, or other minor problems visible with a glass. Sorry, no returns are generally allowed on the basis of minor grade opinion differences. If you are quite particular on your grading, please call early to check on specific lots. Grades used are VG (Very Good), F (Fine), VF (Very Fine), XF (Extremely Fine), Unc. (Uncirculated).
7. No tie bids, the earliest postmark gets the lot. Please bid in odd amounts: $10.57 vs. $10.00. The minimum bid on every lot is $4.00, US funds.
8. **ALL BIDS REDUCED:** All lots will be sold to the highest bidder at a modest advance over the second high bid. Bids under $20 will not be reduced, nor will bids be reduced to under $20. All bids over $20 ARE reduced to 10% over the second high bid. Bid with confidence, as hundreds of bidders have done. By reducing your bids, we offer you the convenience of allowing you to bid your top bid, knowing we will reduce your bids as much as possible. No bids are reduced more than 40%.
9. All lots are shipped upon receipt of full payments. We regret we are unable to make exceptions to anyone. Consignors want prompt payment! Postage, insurance and packaging will be added to all lots. All lots will be sent by UPS up to $900 value, unless otherwise specified.
10. Auction sales ARE NOT approval sales. All returned lots MUST BE MADE WITHIN FIVE DAYS of receipt. Your errors are your responsibility, and ours are ours. The only legitimate reason for returning a lot is if it has not been correctly attributed. Any return must be insured for full value, and reason for return given. I do pay postage both ways for my mistakes (See #1 above).
11. The prices realized are published, and available for $5.
12. Please note that the photographs of the badges and medals are reduced to about 65%.
